1. **Convene:** 3:05 pm by Howe
2. **Introductions:**
3. **Minutes:** 10-2-2024 meeting. No corrections. Accepted as distributed.
4. **Action Items:**
 - a. [Geography SS Teacher Education Sequence](#) (Revise Program)—Chen, Henke
Chen discussed this review, which is one added course to Professional Education. It was a hidden prerequisite, and now allows for more transparency. Everything in the proposal is clean; all hours match. There are no changes needed.

Chen made a motion to approve this proposal. Henke seconded. All in favor, no opposed, no abstained. The motion passed.
 - b. [Geography Traditional Sequence](#) (Revise Program)—Philip, Shorter

Shorter led this discussion. When the teacher education sequence was created, no sequence was created for the non-teaching major. This proposal remedies that. Petersen explained this is the exact same plan as the existing major; no changes were made. Shorter asked about the use of traditional versus general; Petersen said it was for consistency with the other GEO majors.

Paolucci made a motion to approve this proposal. Jasper seconded. 11 in favor, no opposed, 1 abstained. The motion passed.

5. Liaison Reports:

- a. Council on General Education (Shorter)—no report
- b. Council for Teacher Education (Hurd)—no report

6. Miscellaneous:

- i. We will cancel the October 23 meeting and hold new proposals until October 30 or November 6.

7. Adjournment: Zhao at 3:22 pm. Shorter seconded.
